PAYEE FIELDS DESCRIPTIONS

No Cost A "Y" in this field indicates the system will not calculate trustee fees on disbursements to this claim.

No Check Code which indicates the claim should not be paid or will limit the amount the claim is paid. The valid options are as follows:

- **O** Indicates claim is to be paid outside the plan.
- **R** Indicates claim is to be paid at Real Estate Closing.
- **S** Indicates collateral will be surrendered.
- **X** Indicates claim has not been filed.
- **Y** General no check
- **1-9** Limits the disbursement to this number times the regular monthly payment

Delete A "Y" in this field indicates the claim has been deleted from the plan without actually removing the record. L in this field indicates the claim is to be paid per capita rather than pro rata. This field is normally used for adequate protection claims by indicating an "A" in this field. An "E" is used to flag this claim for "Hard" reserve if using this feature.

Reserve Code indicating that disbursements are to be calculated for this claim but reserve the funds rather than paying them out. The valid options are:

- **H** Calculated disbursements are reserved until they meet or exceed the regular payment amount for the claim.
- **M** Calculated disbursements are reserved for one disbursement.
- **Y** Calculated disbursements are reserved indefinitely.
- **1-9** Calculated disbursements are to be reserved for this number of disbursement cycles. This number will decrease by 1 each disbursement cycle.

Stop Disbursement Code which prevents the system from disbursing. However, the system will disburse any arrearage accumulated on this claim. Normally a "Y" is used for a generic stop disbursement. The numbers 1-9 will cause the system to not disbursement on this claim for this number of disbursement cycles.
